

MAJOR DESIGN PROJECT -

DUE DATE - SEPTEMBER 10 WEEK 8 Term 3

Component	Suggested pages	Suggested completion	Date Completed	Teacher Discussion / Comments
<input type="checkbox"/> 1.1 Identification and Exploration of need	2-3	T1 -Week 5		
<input type="checkbox"/> 1.2 Design brief	0.5	T1 -Week 5		
<input type="checkbox"/> 1.3 Areas of Investigation	1 - 1.5	T1 -Week 6		
<input type="checkbox"/> 1.4 Criteria to evaluate success	1.5	T1 -Week 7		
<input type="checkbox"/> 1.5 Action Time plan <input type="checkbox"/> Folio* <input type="checkbox"/> Practical* <input type="checkbox"/> Product <input type="checkbox"/> Finance Plan *Gantt Chart	4	T3 -Week 6		
Section 2				
<input type="checkbox"/> 2.1 Investigating existing brands and Ideas <input type="checkbox"/> Ideas Generation <input type="checkbox"/> Plus, Minus, Interesting of Ideas <input type="checkbox"/> Degree of Difference	4.5	T1 -Week 10		
<input type="checkbox"/> 2.2 Consideration of Design Factors	1.5	T2 -Week 2		
<input type="checkbox"/> 2.3 Consideration of Design factors <input type="checkbox"/> Appropriate research and experimentation	10-11	T2 -Week 4		

<input type="checkbox"/> Tests and experiments <input type="checkbox"/> Final design Drawing				
<input type="checkbox"/> 2.4 Identification and Justification of resources used	1.5	T3 - Week 1		
<input type="checkbox"/> 2.6 Evidence and application of Practical Skills	2.5	T3 - Week 5		
Section 3				
<input type="checkbox"/> 3.1 Record and Application of Evaluation Procedures throughout MDP	0.5	T3 Week 6		
<input type="checkbox"/> 3.2 Analysis and application of Functional and Aesthetic Features of Design	2-3	T3 - Week 6		
<input type="checkbox"/> 3.3 Final evaluation of project with respect to individual, society and environment	1.5	T3 - Week 7		
<input type="checkbox"/> 3.4 External Evaluation of product	2	T3 - Week 7		
Editing and reviewing		T3 - Week 8		

Notes

- You will be unable to complete section 3 without completing or having made significant progress with your major project so term 2 and the beginning of term 3 have been set aside to work on the project.
- Aim to complete the Practical design project by Term 3 Week 2 or week 3, so that you can spend time working on the evaluation component of the folio.
